1. It is Broadband Dynamics, LLC (hereafter referred to as "Broadband Dynamics") policy not to use CPNI for any activity other than permitted by law. Any disclosure of CPNI to other parties (such as affiliates, vendors, and agents) occurs only if it is necessary to conduct a legitimate business activity related to the services already provided by the company to the customer. If the Company is not required by law to disclose the CPNI or if the intended use does not fall within one of the carve outs, the Company will first obtain the customer's consent prior to using CPNI.
2. Broadband Dynamics, LLC follows industry-standard practices to prevent unauthorized access to CPNI by a person other than the subscriber or Broadband Dynamics, LLC. However, Broadband Dynamics, LLC cannot guarantee that these practices will prevent every unauthorized attempt to access, use, or disclose personally identifiable information. Therefore:

 - B. Broadband Dynamics, LLC shall wait an additional seven (7) days from its government notice prior to notifying the affected customers of the breach.
 - C. Notwithstanding the provisions in subparagraph B above, Broadband Dynamics, LLC shall not wait the additional seven (7) days to notify its customers if Broadband Dynamics, LLC determines there is an immediate risk of irreparable harm to the customers.
 - D. Broadband Dynamics, LLC shall maintain records of discovered breaches for a period of at least two (2) years.
3. All employees will be trained as to when they are, and are not, authorized to use CPNI upon employment with the Company and annually thereafter.
 - A. Specifically, Broadband Dynamics, LLC shall prohibit its personnel from releasing CPNI based upon a customer-initiated telephone call except under the following three (3) circumstances:
 1. When the customer has pre-established a password.

3. When Broadband Dynamics, LLC calls the customer's telephone number of record and discusses the information with the party initially identified by customer when service was initiated.

B. Broadband Dynamics, LLC may use CPNI for the following purposes:

- To initiate, render, maintain, repair, bill and collect for services;
 - To protect its property rights; or to protect its subscribers or other carriers from fraudulent, abusive, or the unlawful use of, or subscription to, such services;
 - To provide inbound telemarketing, referral or administrative services to the customer during a customer initiated call and with the customer's informed consent.
 - To market additional services to customers that are within the same categories of service to which the customer already subscribes;
 - To market services formerly known as adjunct-to-basic services; and
 - To market additional services to customers with the receipt of informed consent via the use of opt-in or opt-out, as applicable.
4. Prior to allowing access to Customers' individually identifiable CPNI to Broadband Dynamics, LLCs' joint venturers or independent contractors, Broadband Dynamics, LLC will require, in order to safeguard that information, their entry into both confidentiality agreements that ensure compliance with this Statement and shall obtain opt-in consent from a customer prior to disclosing the information. In addition, Broadband Dynamics, LLC requires all outside Dealers and Agents to acknowledge and certify that they may only use CPNI for the purpose for which that information has been provided.
 5. Broadband Dynamics, LLC requires express written authorization from the customer prior to dispensing CPNI to new carriers, except as otherwise required by law.
 6. Broadband Dynamics, LLC does not market, share or otherwise sell CPNI information to any third party.
 7. Broadband Dynamics, LLC maintains a record of its own and its affiliates' sales and marketing campaigns that use Broadband Dynamics, LLCs' customers' CPNI. A. Prior commencement of a sales or marketing campaign that utilizes CPNI, Broadband Dynamics, LLC establishes the status of a customer's CPNI approval. The following sets forth the procedure followed by Broadband Dynamics, LLC.

- Prior to any solicitation for customer approval, Broadband Dynamics, LLC will notify customers of their right to restrict the use of, disclosure of, and access to their CPNI.

- Broadband Dynamics, LLC will use opt-in approval for any instance in which Broadband Dynamics, LLC must obtain customer approval prior to using, disclosing, or permitting access to CPNI.

 9. Broadband Dynamics, LLC has a supervisory review process regarding compliance with the CPNI rules for outbound marketing situations and will maintain compliance records for at least one year. Specifically, Broadband Dynamics, LLCs' sales personnel will obtain express approval of any proposed outbound marketing request for customer approval of the use of CPNI by The General Counsel of Broadband Dynamics, LLC.
